MEMORANDUM FOR MR. D. M. LADD

Re: [redacted] b7C

b7C b7D In the attached memorandum from the Criminal Division it is stated that the Department has been confidentially informed [redacted] The Criminal Division requests therein that an investigation be made to ascertain if [redacted] still has the material, and, if so, detailed information concerning its content. b7C

It is my opinion that the Department's request should not be complied with inasmuch as the proposed action of the Bureau would serve no purpose as far as the obtainment of factual information regarding the Falange is concerned and because the actualization of such a request would more than likely subject the Bureau to unwarranted criticism. This opinion is predicated upon the following facts:
